

# LEADCenter

WIOA POLICY DEVELOPMENT

*About the LEAD Center:*

*The LEAD Center is a policy development center focused on the Workforce Innovation and Opportunity Act (WIOA) that improves employment and economic advancement outcomes for people with disabilities by supporting effective WIOA implementation. LEAD is led by National Disability Institute (NDI) and is fully funded by the Office of Disability Employment Policy (ODEP), U.S. Department of Labor, Grant No. OD-38977-22-75-4-11.*

*Purpose of Dissemination:*

*To ensure material, tools, and resources from the LEAD Center reach and support diverse communities based on race/ethnicity, geography, gender, sexual orientation, disability, veteran-status, and those who have multiple intersecting identities.*

Your input can help develop responsible approaches to financial capability programming that supports jobseekers in achieving economic self-sufficiency! @NAWDP.org is seeking your feedback to learn more about how the workforce system understands and provides financial capability education and services. Share your feedback today at: [bit.ly/3RLxio0](https://bit.ly/3RLxio0).

"There's always going to be a part of the class where we stop and say...how can you do this in a culturally safe way?" An archive of the White House virtual dialogue, "Indigenizing Health Career Pathways Across Generations: A Closer Look at Instruction and Practices in American Indian and Alaska Native Education," is now available! Check out the recording to gain a deeper understanding of how indigenizing curriculum and practices within various Native communities leads to greater inclusion and success in college and health career pathways.
