LEADCenter
WIOA POLICY DEVELOPMENT

Purpose of Dissemination:

To ensure material, tools, and resources from the LEAD Center reach and support diverse communities based on race/ethnicity, geography, gender, sexual orientation, disability, veteran-status, and those who have multiple intersecting identities.

Specific protective factors exist that can help youth and young adults with intersecting identities overcome employment obstacles…for example, LGBTQI+ youth with disabilities may have access to an association of mentors." Explore the new @CAPEYouth brief, "Addressing the Needs of Youth with Disabilities and Other Intersecting Identities: State Strategies for Program Design." This resource is in English only. bit.ly/45IA8OQ

Read More :

"I enjoyed every minute of the program because it taught me a lot about my job skills and the blueprint I built when I did my resume." Access the new @LEADCtr webinar archive, "Partnerships to Support Successful Customized Employment," to hear success stories about people who have benefited from Customized Employment from the perspectives of the jobseeker, employer, and employment staff. This resource is in English only. bit.ly/3EpJwei
